Press Release

ACRTA has been awarded funds through ODOT's Rides to Community Immunity program. In light of this, the Board has extended the free rides to immunizations appointments until June 30, 2022 or until the funds are exhausted, whichever comes first.

Fixed route will be free to and from the vaccine site. Individuals will be required to tell the driver they are going to an approved vaccination site to be able to ride free.

UpLift/ADA individuals will need to call into the ACRTA office with appointment time and location at least 24 hours in advance of appointment. The individual will be taken to the vaccine site and taken back home at no charge by providing proper verification of appointment.

Limit of two (2) round trips per individual.

To schedule an appointment please call ACRTA at 419-222-2782.
